

International Business Law (16 januari 2018)

Vraag 1: Factoring: what is the law of conflict between all 4 aspects?

Vraag 2: What is the exhaustion principle? How is it applicable to trademarks? What regarding selective distribution systems?

Vraag 3: Something with provisional measures, and if it is extraterritorial.

Vraag 4: Seller A and buyer B in CISG:

a) When does the ownership pass?

b) When does the risk pass?

c) Is this risk-passing relevant? Why?

d) An incoterm that is applicable to the contract between A and B. Machine got damaged on the ship. What are the rights and obligations of A and B?
